**Ask about our 10 YEAR LABOR WARRANTY when you install a new system!!**

Extended warranties add extra coverage time which means if you purchase an extended warranty, with this labor agreement, the labor for repairs are covered for an additional 10 years.

\*Ask about our yearly service agreements to save on cost-keeping your system properly maintained can help lower energy and repair costs, prevent breakdowns and prolong the life of your equipment.

It's allergy season, have you thought about adding an air purifier to your new install or existing system? Purifiers continuously filter the air to keep allergens and pollutants at bay for a healthier cleaner environment.

Did you know that adding UV lighting to your systems helps kill mold, bacteria and other allergens? Check out our products on our website for more information.

Mini-splits are heating/cooling systems that allow you to control the temperatures in individual rooms or spaces. These are a great choice when installing ductwork is not feasible. Great for room additions! Call us for a free estimate at 724-438-5400.
